

PUBLIC NOTICE

The City of Killeen will prepare a consolidated plan in reference to the CDBG and HOME grant funds from the U.S. Department of Housing and Urban Development. The plan will assist in developing and maintaining a viable urban community by providing decent housing, a suitable living environment, and expanding economic opportunities, primarily for low-and moderate-income persons. The goals should extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit community and faith based organizations. The result will identify goals for all community planning and development programs, as well as touch on affordable housing programs. Performance under the plan will be evaluated by the U.S. Department of Housing and Urban Development (HUD).

TO: Citizens, Interested Public and Private Organizations, Public and Private Sector Housing providers, and Community Stakeholders

The City of Killeen invites your participation to identify, comment, and prioritize goals and objectives in the next 3-year consolidated plan covering fiscal years FY2020 through FY 2022 (October 1, 2020 through September 30, 2023). Community Development Block Grant (CDBG) funding and Home Investment Partnerships Act (HOME) program funding is available for activities that work to ensure decent affordable housing, to provide services to the most vulnerable in our communities and to create jobs through the expansion and retention of businesses.
